

By J. Neil McGilp.

Brolgas, or Native Companions (*Megalornis rubicundus*)—Fifty-six were seen at Bool Lagoon near Naracoorte, South-East, S.A., on 4th May. On 24th May, at Onetree Hill, a male Scarlet Robin (*Petroica multicolor*), Red-capped Robin (*P. goodenovii*), and Flame Robin (*P. phoenicea*) were seen. Black-faced Cuckoo-Shrikes (*Coracina novae-hollandiae*)—A flock of 40 to 50 were in the South Park Lands on 25th August.
