

NOTES FOR NOVEMBER, 1920.

Mr. R. C. Beck states that

On November 3rd—Tree Swallows were in great numbers at Fulham.

Saw Starlings feeding young in nest with boxthorn berries, also at Fulham.

Small flock of Shell Parrots flying north.

Heard Quail calling several time-, at Seaton.

Wagtails have raised second brood of three.

Welcome Swallows second brood of four have flown.

October 16 Quail heard calling. First Brown Song lark seen. Cuckoos very scarce this year; only observed one.
