

—July, 1924.—

Mr. T. G. Souter, Maitland, Y.P.

The birds noted during this month were similar to those given for June, with the following deletions and additions:—  
Deletions—Little Penguin, Red-necked Stint, Tawny Frogmouth, and Red-capped Robin. Additions—Barn Owl, Pallid Cuckoo.

Notes.—Banded Plover—with large young, 26/7/24.  
Pallid Cuckoo—Several seen flying about in Sheoaks near the beach. White-backed Magpie: Nesting—Lining nest in Sheoak 10 feet from the house, 30/7/24. Wedge-tailed Eagle—A pair was seen.
