|                                    |     |                |     | Australian Reed Warbler                 |     |
|                                    |     |                |     | Silvereye                               |     |
|                                    |     |                |     | *Common Starling                        |     |
|                                    |     |                |     | Bassian Thrush                          |     |
|                                    |     |                |     | *Common Blackbird                       |     |
|                                    |     |                |     | Red-browed Finch                        |     |
|                                    |     |                |     | *European Goldfinch                     |     |
|                                    |     |                |     |   |     |
|                                    |     |                |     |   |     |
|                                    |     |                |     |   |     |
|                                    |     |                |     |   |     |
|                                    |     |                |     |   |     |
|                                    |     |                |     |   |     |
|                                    |     |                |     |   |     |

\* Note: There is a separate checklist for the birds recorded in Hardy's Scrub  
 If Species in **BOLD** are seen a "Rare Bird Record Report" should be submitted.  
 IT IS IMPORTANT THAT ONLY BIRDS SEEN WITHIN THE PARK ARE RECORDED ON THIS LIST. IF YOU SEE BIRDS OUTSIDE THE PARK PLEASE MARK ACCORDINGLY OR PREFERABLY USE A SEPARATE LIST.
