

## Rare Bird Record Report Form

Species name:	Scientific Name
---------------	-----------------

Observers name:	Other observers:
-----------------	------------------

Address:	Phone no(s):
----------	--------------

Email:
--------

Site location: (please be as specific as possible)
--

GPS (which datum?)
WGS84      AGD66      AGD84      Other

Date(s) of observation:
-------------------------

Time(s) of observation:
-------------------------

How long did you watch the bird(s)?:
--------------------------------------

Distance to bird:
-------------------

Sighting conditions: (weather, visibility, light conditions etc.)
---

Prior weather conditions: (that may have a bearing on the occurrence of this sighting)
--

Optical aids used: (include magnification)
--

Did you prepare field notes or descriptive details before consulting a field guide or other references?:
--

Which references have you consulted?:
---------------------------------------

Does any observer disagree with your identification? Please supply name and contact details.:

How confident are you of your identification? e.g. 70%, 100%, If not 100%, why not?

Other details: e.g. Do you have historical and/or anecdotal information or comments relating to the prior occurrence or status of the species within or near this location?

Physical description of bird – Please describe only what you saw:

(1) No. of individuals present (living or dead):
